### M9125 PCIe x16

#### Specifications

<b>Part Number</b>	M9125-E512F
<b>Bus Type</b>	PCIe x16
<b>Graphics Memory</b>	512MB DDR2
<b>Card Form Factor (PCB / bracket)</b>	ATX / ATX
<b>Extra bracket in the box</b>	none
<b>Card Dimensions</b>	6.6" (L) x 4.376" (H)
<b>Connectors</b>	2 x DVI-I
<b>Breakout / Splitter Cables included</b>	none
<b>DVI to Analog (HD15) Adapters</b>	2
<b>Max Display Outputs per Card</b>	2
<b>Supported Display Output Types</b>	DVI SL, DVI DL, Analog
<b>Max Digital Resolution per Output</b>	up to 1920x1200 and 2560x1600
<b>Max Analog Resolution per Output</b>	2048x1536
<b>Independent Desktop Mode</b>	yes
<b>Stretched Desktop Mode</b>	yes
<b>Passive Cooling</b>	yes
<b>Unified Driver Package</b>	yes
<b>PowerDesk Software</b>	yes
<b>EMC Certifications</b>	Class B
<b>Aftermarket Cable Upgrades</b>	none
<b>Supported Operating Systems</b>	Microsoft® Windows® XP (32/64bit), Microsoft® Windows® Vista (32/64bit), Microsoft® Windows® Server 2003/2008 (32/64bit)
<b>Open GL support</b>	2.0
<b>Warranty</b>	3 years

## Graphics Cards

### M9125 PCIe x16

#### Features

- **512 MB frame buffer**  
For enhanced performance in demanding multi-monitor business applications
- **Native PCI Express (PCIe) x16**  
Maximum bandwidth for performance
- **Single card stretched and independent desktop**  
Supported in both Windows Vista Aero (WDDM mode) and Windows XP
- **Pristine image quality for high resolution displays**  
2560 x 1600 dual dual-link DVI; 2048 x 1536 analog
- **Passive cooling**  
Fanless design eliminates noise and increases product reliability
- **Wide enterprise flexibility**  
Unified driver package compatible with other Matrox products (P-Series, G-Series, QID Series, MMS Series, Parhelia Series, and Extio Series).
- **Multiple operating system support**  
Display drivers for Microsoft® Windows® Vista (32/64bit), Windows XP (32/64bit), and Windows Server 2003 (32/64bit).
- **Matrox PowerDesk software**  
Easily configure and manage program windows on multiple monitors.
- Global sales and technical support
- RoHS and WEEE compliant
- 3-year warranty

#### Hardware Included

- Matrox M9125 PCIe x16 graphics card (with factory-installed ATX bracket)
- Two DVI-I-to-HD15 connector adapters

#### Software Included

- Matrox display drivers for Microsoft Windows Vista and XP  
(also available via download at [www.matrox.com/graphics](http://www.matrox.com/graphics)<sup>1</sup>)
- Matrox PowerDesk desktop management software
