JBL ON STAGE 400ID

High-Performance Loudspeaker Dock for iPod

The JBL On Stage™* 400ID loudspeaker dock is a complete sound system for your iPod – one that will become the new centerpoint of your personal entertainment space. Imagine a total audio system in one place, with no extra wires running across your table or desk. Connected to your new-generation iPod, MP3 player or other music source, the JBL On Stage 400ID system produces clean, powerful sound, letting you take complete control of your music.

†Compatibility: All docking versions of the iPod (including nano G3, iPod classic and iPod touch), MP3 and CD players, and desktop and laptop computers (all platforms)

Input Requirement: Main connection – docking connector for iPod; auxiliary connection – 3.5mm (1/8") stereo mini jack

- High-performance loud-speaker dock for iPod
- Full iPod† and iTunes compatibility
- Easy-to-use music and navigation controls and IR remote
- Digital power and DSP (digital signal processing)
- Combines many proprietary technologies to provide clear, accurate sound with astonishing bass

*The trademark On Stage is used with permission of OSA International, Inc.

iPod and iTunes are trademarks of Apple Inc., registered in the U.S. and other countries.

iPod Touch not included
